First Daughter and the Black Snake

First Daughter and the Black Snake

Artist Bio

Keri Pickett

Producer, Director & Director of Photography Keri Pickett's work documents those who seek to right a wrong, sharing stories of how one person can make a difference. Her award-winning documentary feature film 'The Fabulous Ice Age' documents the great American touring ice shows and one man's quest to save the history and it is now streaming on Netflix, sub-titled into ten languages. Virgil Films & Entertainment distributes in all media DVD, Amazon, iTunes.
